

MillionaireAsia debuts in Indonesia

As a fresh concept publication dedicated to the celebration of the millionaire lifestyle, *MillionaireAsia* magazine was officially launched on August 10, 2007 at the Grand Hyatt Hotel in Jakarta. This was just three months after the launch of the India edition of *MillionaireAsia* in New Delhi.

More than 200 guests were present at the unveiling ceremony and subsequent party of an event sponsored by ABN AMRO Private Banking, Sharp Aquos, Sitiagung Makmur, Embraer, PremiAir Jakarta, Richard Mille and Qatar Airways. Ms Elizabeth Liman is the publisher of *MillionaireAsia* Indonesia edition.

The official launching ceremony was attended, among others, by Indonesia's Minister of Trade, Mrs Mari E. Pangestu, Presidential Spokesman Dr Dino Patti Djalal, and several distinguished guests and dignitaries, as well as representatives from other media.

Mrs Pangestu expressed her great pleasure at the debut of *MillionaireAsia* Indonesia edition, voicing her hope that the new magazine would capture the pulse of the Indonesian millionaire's life-style through the eyes of the wealthy business elite.

She further stated her belief that the magazine might extend the exist-

ing relationship between Indonesia and other countries, particularly across the Straits, and with the media community of all neighbouring countries.

Meanwhile, Dr Dino Patti Djalal expressed the hope that a clear vision and drive will put our shared confidences and expectations into action.

Furthermore, while *MillionaireAsia* addresses the affluent community, Dr Dino also noted that the publication also celebrates top achievers.

MillionaireAsia advisor, Mr John Prasetyo, also offered his good wishes and guidance for the success of the new magazine.
