Renowned for its vast limestone hills, waterfalls and picturesque rivers, Ipoh sets the stage for the stunningly exotic Banjaran Hotsprings Retreat.

Sunway Group Founder and Chairman Tan Sri Dato' Seri Dr Jeffrey Cheah is the owner of the five-star retreat sanctuary and he played host to a select group of *Legacy* members and *MillionaireAsia* VIP guests on a serene Friday evening.

On 26 November 2011, Tan Sri Dato' Dr Cheah was quoted in *The Star* newspaper with these kind words about the *Legacy* programme: "When Brian first told me about *Legacy*, I was quite impressed. My motto has always been to aspire to inspire before I expire."

Home to geothermal hot springs, various specialised pools and a

meditation cave, the jewel of the evening was Jeff's Cellar, a wine cellar carved from a limestone cave. The cavernous wine cellar is an amazing multi-level labyrinth featuring a tasteful selection of Tan Sri Dato' Seri Dr Cheah's personal wine collection.

The man himself was there to receive and mingle with the guests, who were also treated to a smorgasbord of canapés, different fine wines and alcoholic mixers from the cellar bar. He was named in the *Forbes* list of *Malaysia's 40 Richest* and has been known for expressing his support for charitable causes, especially in the education sector.

"Jeffrey is my favourite billionaire," said property investor Andy Kuan, who was a guest at the exclusive cocktail party. "I know a lot of billionaires who don't give back, but not him," he shared.
