Arun Pudur & Eliena Raj

Tan Sri Abdullah Ahmad & Dato' Ramesh Ranai

The bright flashes and sporadic rumbling could be seen and heard from the hotel's glass ceiling, yet despite the heavy downpour that evening, specially invited guests turned up in strong support for the soft launch of *MillionaireAsia's Legacy* programme.

Held on 21 October 2011 at The Royale Chulan in Kuala Lumpur, the estimated guest list of 120 high net worth readers and luminaries dressed to the nines and indulged in an evening of extravagance.

The party featured a fashion presentation of Bally's autumn/winter 2011 collection. Luxury mobile phone Vertu also showcased some of their latest models of signature phones including the Legacy Constellation

Quest Smartphone (worth SGD11,600) which will be given to all *Legacy* members as a welcome gift.

More than just leading lights and persons of distinction, *Legacy* members are role models and shining examples of altruism and philanthropy. They have a firm belief in giving back to society, and take up corporate social responsibility and sustainability efforts. *Legacy* is supporting various charities such as Maiti Nepal, Make-A-Wish Foundation Singapore, Living Hope, East Bali Poverty Project, and UNICEF – Unite for Children.

Fittingly, *Legacy's* motto is *Pharus aliis lucis*, which means a "beacon of light for others", and represents a wish for its members to serve society, to make a clear difference and be a positive force for good.
